

E-WAY FULL ELECTRIC – 12m

Layout 12m

24 seats + "wheelchair" space (x) driver

27 seats + "wheelchair" space (x) + driver

IVECO BUS

WEIGHTS

Gross kerb weight	according to equipment
Maximum Gross Vehicle Weight	20 000 kg

Dimensions

Overall length Std / BRT version (in option)	12,050 / 12,302 m
Overhang Std / BRT version (in option)	2,705 / 2,957 m
Wheelbase	6,120 m
Overall width	2,550 m
Total height, full load (without/with pantograph)	3,234/3,318 m
Inside headroom (front part/rear part)	2,384/2,262 m
Slope of the floor (rear part only)	7,2 %
Center & rear door	0,330/0,340 m
Width of front / center / rear doors	1,200 m
Floor height	0,340 m
Ground clearance, under skirt	0,300 m
Front/rear tracking	2,087/1,869 m
Inner Turning radius	9,095 m
Outer Turning radius	10,890 m
Angle of attack / escape	7,4°/7,2°

Standard Equipment :

Body white ICO82 RAL9010	50027	2 opening bays	8530	Manual retarder lever	5346
Axle ratio 7,36 - 16 x 37 (AV133)	73038	Single glazing	3776	With stop point brake lever	1664
3-buttons select command for gearbox	936	Standard driver's seat cover	3778	SLOW CHARGING UP TO 150kW	2153
Speed limiter 80 km/h	6355	TSA Door Glazing - Double Glazed Clear Front Door	3623	Battery R100.03 Compliant	2252
Without roof hatches	76898	2 non-heated exterior mirrors with manual adjustment	7188	BATTERIE FPT - 6 PACKS (416 KW/H)	1037
Cooling liquid filling pump	75353	Driver's seat without seatbelt	1865	6-YEAR BATTERY WARRANTY (OR MAXIMUM ENERGY FLOW)	1940
Front and rear stabilizer bars	8216	Driver's seat headrest	5547	Manual battery switch	6730
Tires 275/70 R22,5 - 150/145 (front axle) - CITY	20241	Right and left driver's seat armrests	76631	Mono-stable electrical battery disconnecter	749
Driver's alcohol-lock Predisposition	7236	Seat ISRI NTS1 6860	76921	Battery charging socket FENWICK	4475
Driver's door without window	993	Fixed driver's seat	6462	Continuous LED interior lighting + indirect lighting(OFOLUX)	76242
Under-engine cover	3207	TSA tinted windshield	3975	Front hook not following CUNA directive	266
2 speakers on the right - 2 speakers on the left	76625	Electric passenger heating	1663	Front wheel nut cover	197
Separation opaque behind conductor	76160	Front air intake for the driver's seat	5343	Long acroteria with inclined front cap	1645
Stop button Grey body / Red push button with Braille and illuminated box on the front	76214	Thermal comfort preconditioning with 24V input	1618	Tire pressure monitoring system	2112
Preparation of ticketing on dashboard	76164	THERMAL MANAGEMENT With Chiller TECHNOTRANS	1659	Lateral kneeling + lifting and lowering	13948
Columns + handrails painted	3688	Coat rack behind driver	76185	Electric disabled ramp, 800 mm door	13949
Predisposition for 1 route display on the right side	14813	Econometer	77055	Electric doors: exterior sliding except front door	79149
Predisposition for rear route display	14814	Driver drowsiness and attention detection	399	Telematics without screen	5311
Drop-down windows	76796	Front detection system	402	FMS bus interface	14808
Tinted windows TSA	3768	Right blind spot detection	1579	right rear charging socket	1640
		Rear collision warning with display	000	PHOENIX contact charging	2253
		Speed limit sign detection	409	Single-block side panels	76207
		Reverse buzzer	7638		
		Hill start assist	2405		

Optional Equipment:

Front face LINIUM (BRT)	79752	Low windows	75915	ESP	7888
With structural reinforcement (R29) frontal collision	1584	athermic windows(<i>Grey 40</i>)	16703	Hill start assist + Automatic stop point brake	2406
With structural reinforcement (R66) turnover	77416	35 athermic windows(<i>Venus 35</i>)	76979	Without automatic stop point brake	1665
Dashboard covered	76627	All opening windows	8522	SLOW CHARGING UP TO 150kW AND OPPORTUNITY CHARGING UP TO 450kW	2154
Front axle load greater than or equal to 8.164 tons	1918	PVC flap on exterior door emergency exit button	76200	BATTERIE FPT - 7 PACKS (<i>485 KW/H</i>)	1034
Driver's door with glass	8054	2 heated exterior mirrors with electrical adjustment	7190	BATTERIE FPT - 5 PACKS (<i>346 KW/H</i>)	1417
Right side face advertising panel / door 1529	3143	Approach mirror	8059	7-YEAR BATTERY WARRANTY (OR MAXIMUM ENERGY FLOW)	1941
Right side / door advertising panel 1934	3149	Approach Rearview camera	128	8-YEAR BATTERY WARRANTY (OR MAXIMUM ENERGY FLOW)	1942
Left side face advertising panel standard size	76155	Rearview camera	142	9-YEAR BATTERY WARRANTY (OR MAXIMUM ENERGY FLOW)	1943
Outdoor advertising panel on the back	3169	Additional interior mirror	8257	10-YEAR BATTERY WARRANTY (OR MAXIMUM ENERGY FLOW)	1944
Passenger detection at all doors except door 1	76727	Driver's seat with belt	1863	Roof batteries at the rear (optimized passenger capacity France)	1692
Top of back face customer color choice	76642	ISRI NTS2 6860 Heated Ventilated Seat	1945	Front fog lights (LED)	6555
Bay surrounds and exterior door casings in customer color choice	76644	ISRI NTS1 6860/875 seat (=with belt)	76922	Continuous LED interior lighting + double indirect lighting (OFOLUX)	759
Interior door surrounds in customer color choice	76646	Pivoting driver's seat	6460	Continuous LED interior lighting (OFOLUX)	75946
Interior door surrounds in customer color choice	76659	Green tinted athermal windshield	687	Front and rear nut covers + hub cover	13941
Black outer band and black rear area	1689	Hatches locked by male square key	76193	Full Wheels covering (twin wheels rear axle)	79499
1 indoor advertising panel 750x350	3229	Hatches Locked by FEMALE square key	76194	Long acroteria without front cap	1631
1 indoor advertising panel 1000x350	76157	Driver's heating	8904	Wings on wheel arches	76222
grey advertising panel	76147	Without additional heating	1628	Tire pressure monitoring system + spare kit	1512
Black anodized advertising panel	76148	Dual-mode heating	1637	Standard tools kit	4528
Exterior advertising panel SODEX METROBUS	76150	2 passenger's heaters	76197	Tools kit + jack	76807
Exterior advertising panel FRANCE BUS CLEAR CHANNEL	76151	Lampa'bus	76213	Battery box clips for replacement by forklift	2564
Self-service doors opening with exterior and interior door's buttons	3252	Air conditioning (heat pump)	1629	Extinguisher 6 kg	4565
Stop buttons ask for LEDs	76217	Left side air intake for the driver's seat	5345	First aid kit	5534
Brake and turning light at top	3593	Thermal comfort preconditioning with timer	758	Spare wheel in bulk in the vehicle	4567
Clock on route display gate	76172	Thermal comfort preconditioning with ISO 15-118	761	800 mm folding manual disabled ramp	14829
Columns + handrails in Stainless steel	3687	THERMAL MANAGEMENT with Chiller MODINE	2255	Exterior sliding doors except front door	7170
Socket 24 Volts	4815	Radio + USB + Bluetooth	1730	Pneumatic swing and inward pivot doors	14678
Sliding windows	76795	Radio	76639	Separate front leaf control	3698
		Speakers near the driver	8063	Separate rear leaf control	4761
		Inhibition of dashboard adjustment while driving	76648	Charging by rails	1630
		Digital tachograph CONTINENTAL	8920	Pantograph charging	1662
		Adjustable speed regulator and limiter	1589	Multi-part side lower panels	76206
		Advanced drowsiness detection	2224		
		Left and right blind spot detection	1587
